Anything to say about our last issue? Then this is the place to do it! Come on, Michelle's gagging for it!

Send me your letters to:
Men Only, 23 Lyon Road, Hersham, Surrey KT12 3PU
or mail menonly@paulraymond.com

Dear Michelle,

This year I had my very best holiday – not only did I meet the sexiest woman ever, but I also had my first threesome, with her and her friend.

I had been in Spain for two days and I was sitting at a bar enjoying a drink when a tall blonde with long, sun-tanned legs perched herself on the bar stool next to mine. Naturally, I offered to buy her a drink. She looked me over, her eyes lingering on the growing bulge in my crotch before ordering a bottle of beer and introducing herself as Sandy. The way she handled the bottle, drawing her long fingernails up and down the neck, soon had my balls tingling and my cock ticking like a time bomb. Her dress was so tight that it clung to her tits and arse as if she had been poured into it. She didn't seem too worried about keeping her legs together either and, when she turned on her stool to face me, I saw that she wasn't wearing any panties.

"They started to lick, nibble and suck on each other's labia."

The heat of the Spanish night and the fight to keep my erection under control had made small beads of perspiration begin to appear on my forehead. I was about to wipe them away when Sandy leaned forward and, taking a cube of ice from my vodka, ran it across my forehead, slowly drawing it behind my ear and down to the nape of my neck! The sensation was incredible: the cold wet ice against my hot skin felt decidedly kinky.

I asked her if she was staying nearby, and she told me she was sharing a room at a nearby hotel with a girlfriend. You can just imagine my surprise when she suggested we go there after we had finished our drinks to meet her friend Jane, who, she hinted, might well be up for a threesome!

While Sandy went to powder her nose, I asked the barman to sell me a bucket of ice, a bottle of vodka and a six pack of beer. Sandy's friend was a stunner, and when I entered the hotel room it was obvious that Sandy had phoned ahead because she was already naked and not in the least bit shy about the fact. She was clearly up for anything, and I was glad that I'd had the forethought to bring along the bucket of ice.

Sandy started to undress while Jane began to undo my trousers, kneeling in front of me and easing them down. Soon we were all naked, and it was then that I realised that their room only had a double bed. Never mind the threesome, these birds would have been getting it on whether I was there or not!

At this realisation, my truncheon hardened even more and I wasted no time in joining them on the bed. The bucket had been placed on the bedside locker and Sandy grinned wickedly at me as she picked an ice cube with her long red nails and sucked it sensuously into her mouth. She then slid down the bed, and, lowering her head between my thighs, began to suck my rigid knob. The soft warmth of her lips combined with the cold ice seemed almost to double the stimulation and intensify

"I felt Sally pushing an ice cube up my arse..."

REBECCA MORE!

Dear Michelle,

I'm just writing in to congratulate you on featuring MILF Rebecca More. It's good to see a more experienced lady in your magazine from time to time, as pretty as the other young ladies you feature are, there something seductive about a woman who really knows what she's doing and I'd bet you serious money that Miss More is as they say at the top of her game. So more More and MILF's in general, please.

David, Wales.

Michelle says: Well David, I would hold you to that wager, but I know that you'd win, as Rebecca More is a saucy woman who knows her way around.

LUCY

Photos: **BB Media**

As festive tidings fill homes up and down the country, we ponder what a girl like Lucy Alexandra will be up getting up to after Santa's been?

"The same as everyone else I imagine, I'm heading to my parents for a family Christmas, with lots of food, wine, games and maybe even a badass Christmas jumper."

Now there's a picture we will be holding on to, Lucy in Christmas knitwear and nothing else. Well, that's certainly given us some festive cheer.

LUCY

my pleasure.

It didn't take Jane long to catch on and, while Sandy sucked my cock, Jane picked up an ice cube and, sweeping Sandy's hair from the back of her neck, she began to lovingly massage it with the ice cube. The startling chill of the ice made Sandy gasp, causing her to unintentionally draw my cock even deeper into her mouth and making my engorged penis throb even more. I was totally beside myself as Jane ran the ice cube down Sandy's spine, and slid it in between her bum cheeks.

I sat up, leaning on my elbows to get a better view and, as Jane pushed the ice cube further into Sandy's crack I pulled my cock out of her mouth to prevent myself from coming too soon.

RHIANNON RYDER!

Dear Michelle,

I was wondering if Rhiannon Ryder is anything to do with Ryan Ryder? Perhaps a porn couple or similar? But putting that aside, No.12 was a cracking issue bountiful of babes with gorgeous silky twats that I'd wish I could ram my meat up. My fav was newbie Rhiannon who caught my eye as soon as I turned the page with those slim, shapely legs. Keep up the good work!
Pete, Derby.

Michelle says: That's a good observation Pete, but sadly they are not the Posh & Becks of the porn world.

When I suggested they try the same hot and cold sensations on their pussies as I had felt on my cock, the ladies obligingly popped some ice cubes into their mouths. Arranging themselves on the bed in the classic 69 position they started to lick, nibble and suck on each other's labia.

I sat on the edge of the bed, just watching as I stroked my rock hard prick. The girls worked on one another, their tongues alternately flicking and thrusting in and out of each other's slits. My cock literally shuddered as Sandy slid an ice cube from her mouth and pushed it deep into Jane's glistening pussy with her tongue. Jane arched her back and moaned as she climaxed, and a moment later, Sandy came too, bucking and wailing with explosive passion.

> "I spunked inside Jane like a volcano erupting."

I joined them as they lay there panting and perspiring, their breasts heaving from the exertion of their orgasms. Then, taking some more ice, I rubbed it into Jane's voluptuous tits, concentrating on her erect nipples. Following the soft contours of her body, my hand travelled towards her neatly-trimmed bush. Jane was wriggling as little trickles of water ran from the ice cube as it teased her warm flesh. I parted her pussy lips and ran the ice around her clit, making her gasp, then alternated licking her clit with rubbing it with ice. As she shuddered through another orgasm I inserted the ice cube into her well-lubricated cunt.

While I was busy with Jane, Sandy ran an ice cube slowly up and down the length of my shaft, gently circling the rim of my helmet. The ice felt bitterly cold at first but left a warm tingling afterglow. As my pleasure intensified, I pulled Jane's legs wide apart and Sandy guided my weapon into her friend's cunt.

As I drove my cock deep into her box it came into contact with the ice I'd inserted. The sensation was so electrifying that I almost spunked on the spot as I sunk my shaft balls-deep in her moist slot.

> "Jane pushed the ice cube further into Sandy's crack."

That's when I noticed Sandy reach for a bottle of baby-oil from the locker and squeeze some into the ice bucket. The next moment I felt her rub some ice between my arse-cheeks! I was squarely on the point of ejaculation when I felt Sally pushing an ice cube up my arse and I spunked inside Jane like a volcano erupting.

VICTORIA & CLAUDIA

This could be one of those pretty in pink moments, as these two stunning blondes get to know one another on a more intermate level. Victoria and Claudia are no strangers though...

"We've known each other for a few years now, and have a good few raucous nights out, but this is the first time we've done a shoot together."

I can't believe it's taken this long for you two ladies to undress each other!

"I know, but now we've started I don't think we'll stop."

There clearly both having too much fun and long may it continue!

Miss BEHAVIOUR

Real Life Adventures

I've always hated Christmas, ever since I was little. Having to meet up with family, the enforced fun, the false happiness, it drives me mad. I know I sound like a misery, but I'm honestly not – I just choose to celebrate the holiday in a different way. I always spend the day with mates or on my own and splurge on stuff that makes me feel good. Christmas, to me, is the one day of the year when I'm always really kind to myself!

> "But now he was getting closer to cumming – I could feel the tension, the swelling in his balls."

Last year, for example, I spent on my own, and I was really looking forward to it. I stocked up on food and booze, and bought myself some indulgent presents – a new pair of heels and a sexy nightie and a new vibrator. I decided to wear my new negligee that day, after having a lovely bubble bath, just to feel good about myself. I wasn't going anywhere or seeing anyone, after all. Or at least, that's what I thought.

I was prancing around the living room to a festive album in my nightie with a glass of prosecco when there was a knock at my door. I panicked, feeling like a rabbit caught in headlights – who the hell was that on Christmas Day, for fuck's sake?

Grabbing my robe, I tentatively opened the door to find my neighbour, Eric, stood there. I was surprised – I thought he and his girlfriend had gone to her parents' place, as they usually did. He looked sheepish and explained that he had stayed home as they'd had a row that morning, but he'd managed to lock himself out of their flat and she wasn't due back for hours. I

> "I kissed his prick with closed lips, gradually parting them and lapping at his tip."

felt sorry for him and invited him in, excusing the state of the place.

Making an on-the-spot decision meant that I didn't think it through first – for starters, all I had on was a robe and my skimpy nightie, so I told him to have a seat while I got changed. Then, before I could nip off to my bedroom to change it, Eric noticed the vibrator, which I'd left lying on the coffee table. "Merry Christmas!" he grinned, and I went beetroot, which made him laugh. Then he surprised me further by telling me that said it was nice to see that some women had a sex drive and that his girlfriend wasn't interested. He went on to say that it was really frustrating, being a red-blooded man with a need that wasn't being met.

"As his thumb disappeared in my arsehole I started to cum, and I just kept on cumming."

This was way too much information and I felt uncomfortable, so I said I'd better nip into the bedroom and put on something decent. However, Eric asked me could he have a quick flash of my nightie. I would usually have told him to clear off, but it being Christmas (and having had a couple of glasses of prosecco), I flirtatiously obliged and he obviously liked what he saw. I started to sense a bit of a spark, so I didn't bother changing. And one glass of fizz later, we were having the "just a bit of fun" conversation.

Literally a few minutes after that, we were rolling around, Eric's hand up inside my nightie, stroking my equally silky boob. He was fingering my nipple, getting it hard as my tongue explored his mouth. He wasn't wearing much either, just trackies and a T-shirt, which I got off him as soon as I could.

I hadn't realised what a lush body he had, although I'd had glimpses of a nice big bulge in his pants. He was already hard, but as I stroked and squeezed his prick, I felt it swell up even more in my hands. He said he usually got a Christmas morning blowjob, and I didn't deny him that. I kissed his prick with closed lips, gradually parting them and lapping at his tip. Then I took him all the way into my mouth.

Just as I started to get into it I heard a noise – he'd got my vibrator. He ran it up my body, pausing at my tits, then stroked it up against my cheek. That way he got a muffled buzz in his helmet as I sucked his cock. But this was just for fun. He moved it back down my body, playing it over my labia, careful not to let it touch my clit directly. He didn't want me getting too horny while I still had his cock to suck.

"He was pounding my pussy with the toy and sucking on my tits – for now it was all about me."

"C'mon, you know you want it... And what to do," he said. I didn't suck him like I was trying to get it over with, just kept it up slow and steady. The vibrator tip was hovering around my crotch. But now he was getting closer to cumming – I could feel the tension, the swelling in his balls.

At last his spunk was splashing my throat, and suddenly the vibe was inside my cunt. I gasped, trying not to choke on his cock and cum, swallowing frantically.

He was pounding my pussy with the toy and sucking on my tits – for now it was all about me. Then he used it on my clit, and three fingers up my snatch. He said as soon as he was hard again, his cock was going in my cunt, because he wanted to feel me cum around it.

I got him hard again much quicker than I expected, just wanking his cock. I just stayed on my back but he wanted me on all fours. I wonder if it made it easier for him to cheat, if he didn't have to look me in the eye, but that wasn't it – he just liked doggy. I groaned like fuck as I felt his hot cock budge in between my pussy lips, pushing in deep and easy. He had one thumb teasing my

arsehole, just the tip of it dipping in, then he reached around and started using the vibrator on my clit.

I twisted like I was trying to buck him off, the size of him in my cunt boosting the buzz I was feeling. As his thumb disappeared in my arsehole I started to cum, and I just kept on cumming. It might die away for a few moments, but almost instantly I'd feel another surge and my pussy muscles fluttered around his thick shaft.

"OK," I groaned when I couldn't take any more, and instantly he pulled out of my cunt, with a wet sucking sound. As I heard him wank it, felt him slap it up against my arse cheeks, I moaned for him to put it inside me again. I wanted to feel his spunk soak my inner walls, and that's all he needed to hear. It took him a few more pushes, then his salty goo shot out – so much it was running out of me as he pumped more in.

Right then I reckoned that was me satisfied for the day, but before long I was reaching for the vibrator and playing with myself – putting on a show for Eric, but needing to cum again too.

Now I was on my back, he was focused on my tits, pulling my nightie right up to expose them. I'd always envied his other half's – nice little boobs that didn't need a bra, but he wanted his fun with mine – big double-Ds that he could lose his cock between.

> "I groaned like fuck as I felt his hot cock between my pussy lips, pushing in deep and easy."

I tit-fucked him kneeling up, so I could still reach down and frig my cunt. As my toy slurped and stirred around in my hole, he had me spitting on his cock, so it would slide in and out as he forced my boobs hard together around it.

I came again then jammed the vibrator up myself, holding it in position. Then I fondled his bollocks and took little licks and sucks at his helmet whenever he pulled out of my tits. But he didn't want me sucking him off this time. His first spurt was right in my cleavage, and then he aimed at my face, splattering it with a big load. Then, when he was done, I raised my boobs up and rubbed them over my face, covering them with jizz as well.

> "I twisted like I was trying to buck him off, the size of him in my cunt boosting the buzz."

We had a great afternoon, we fucked, drank and even watched a crap Christmas movie, until, eventually, Eric's girlfriend called to say she was home and wondering where the hell he was! So, we had one last snog before he checked himself for evidence and headed home.

Eric and I have bumped into each other regularly since then, but we've been cool about it. Him and his girlfriend are actually quite sweet together so I wouldn't want to cause trouble. And I'm not expecting anything to happen this year, so I'll make sure I stock up on batteries, but I'll make sure I have plenty of condoms in the flat too!

MADLIN

Photos: **BB Media**

There clearly both having too much fun and long may it continue!

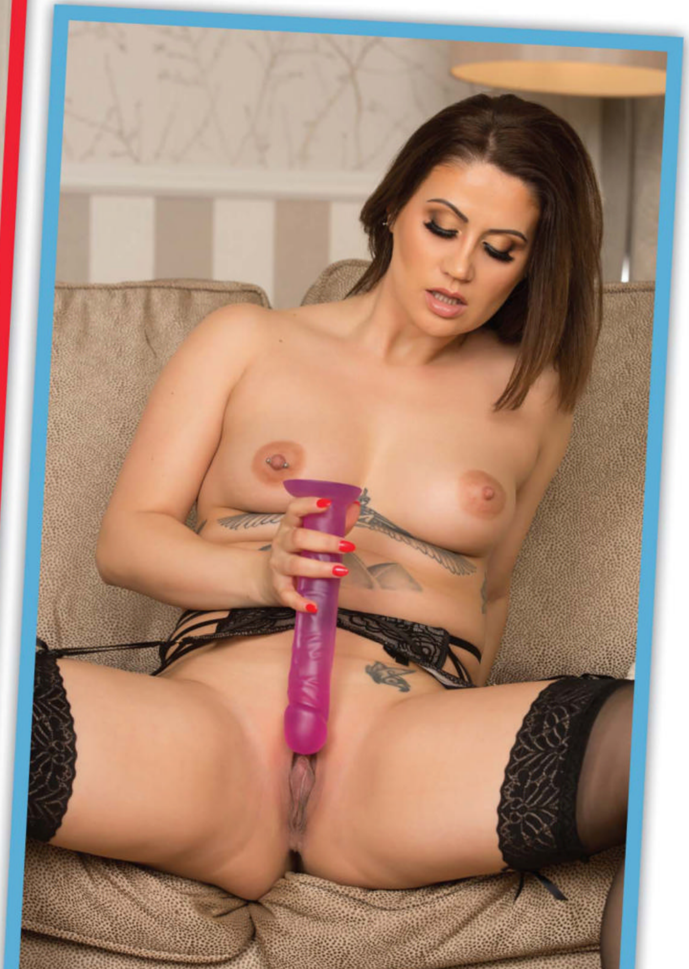
A fresh face for Men Only is always welcome, and when it comes in the shape of Madlin Moon, it really is a welcome sight. So tell us a little about yourself?

"Well, I've been in the adult industry since 2012, and I've got a few more tattoo's than I had when I started."

We hear you get quite the audience on camera?

"Most of the time there are more than a few horny guys waiting for me, which I absolutely love!"

Looks like there's no stopping this one.



THE PAUL RAYMOND AWARDS

2018 WINNERS

In our industry, we like to let things go off with a bang! So as the champers flowed, and the cabaret showed, the 6th annual Paul Raymond Awards kicked off true to form, in a frenzy of nipple tassels and scantily clad women. Would we really do it any other way?

Steering the ship through the siren and booze-filled waters this year, were our hosts, Paul Raymond's very own Mark Hassell, and the lovely Rebecca More, whose frolicsome and mischievous antics buoyed the crowded Café de Paris, in London's West End. But between the banter, there were some hefty looking awards given out, with Beth Bennett winning PRP Girl of the Year, and Ella Hughes tottering off with Performer of the Year award to add to her gongs from years gone past!

So, who else got you chaps frantically tossing off votes left, right and centre? Well, Emma Green got her hands on the Mayfair crown for the third time in six years, while Hannah Brookes took up the Men Only mantle at the first time of asking. Penny Lee and Lucy Zara were also victorious on the night and Lacey Starr Productions walked away with the Adult Film of the Year Award.

Once all of the commotion settled down, the boombox came out and the real partying started with Dappy, Artful Dodger, and DJ Ironik on the mic and class acts from DJ Pioneer and Tyson Brown rounding the show off. Bring on 2019!

BAILEY BROOKE

I have been wanting to talk to Bailey for a while now and we finally made it happen. I saw her for the first time at in Vegas at AEE and my eyes popped out of my head. She is drop dead gorgeous! I've seen her in a few scenes and she's also a very energetic performer! We talk about her life and career and Bailey tells me about an amazing offer she has for her fans. Enjoy!

Tell me about Bailey Brooke.
Biley Brooke: I grew up in Virginia in a really small town, really Southern. My high school has made 3-400 people in it. My family is really close. We had family dinners every night.

How old are you?
I'm 21.

How long have you been in the industry?
Almost 3 years, I joined the industry October 11, 2015.

You're very petite, how tall are you?
I'm 5'2".

And how much do you weigh?
107, I believe.

When did you lose your virginity?
When I was 18.

Is there a good story behind it?
I was dating this guy for 3 years and we both decided to lose our virginity together. We didn't really decide until it was already happening. He would pick me up in the morning and drive me to school. One day, we had to go back to his house because he forgot something. We were sitting out in his truck and making out and he said, 'Oh, no, we have to wait until we're married!' And I said, 'Nope!' and it kind of happened.

You got into porn a little over a year later, were you promiscuous in that year?
No, I really never had sex outside of a relationship until 6 months after joining the industry. Obviously, outside of work. Joining the industry, my first boy/girl scene was the first time I ever had sex with someone I wasn't in a relationship with.

How many guys did you sleep with before porn?
Four or five.

Were you with girls before porn?
Yes. Other than girls, I guess. (laughs) I messed around with a girl before I lost my virginity. Then, while I was dating the first guy, I was also seeing a girl that we both liked. We would mess around a little bit. And before I joined the industry, I was webcamming so I would webcam with this girl. And then, my last relationship before I joined the industry, we were both seeing a girl together. I've always been into girls.

You were webcamming, why did you decide to get into the porn industry?
I had a lot of agents emailing me. The first agent that ever emailed me was this woman in Florida. It was about two or three weeks after I started webcamming and it didn't sound real. Everytime they hit me up, they said, 'I'll pay for your flight. I'll fly you out here. You can make this much a week, this much a month' and saying all this stuff. I thought, 'This can't be real!' I was telling my mom about the offers and she said it was guys who would pay for your flight and then kidnap you and put you into sex trafficking. I didn't really even consider it when I got the emails until a little while after. I was really into webcamming, I was making good money and then the girl I was camming with told me she used to work with a girl who got scouted and it was legit. She referred me to an agency and that agent had actually reached out to me before. It was John from Matrix Models. I hit him up and told him about the other girls and knew he was reliable. We actually talked for a day and then he brought my flight to LA the next day.

Are you still with him?
No.

Who are you with now?
I don't have an agent. I'm a free agent.

You said you talked to your mom about this. You're that close to your mom that you're telling her about porn?
Yeah, she doesn't have a problem with it. I've been really open with my parents. They're concerned about my safety, of course. As long as I'm happy and safe, they don't really judge.

So what was your first scene like? You said it was the first guy you fucked that you weren't in a relationship with. Were you intimidated? Nervous? Turned on?
Luckily, I kind of already knew how it worked. When I first joined the industry, I was doing only girl/girl. So I had already done a bunch of scenes. The first time I did a boy/girl scene, it was kind of awkward trying to talk to someone that I was about to have sex with. 'Nice to meet you!' (laughs) It wasn't that bad. I honestly can't even remember who it was with. He didn't really talk to me that much. We just shot the scene, it went by really quick and he left. It was with PornPros in Vegas.

How did you come up with your stage name?
I just had to think of something for webcamming and I always thought Bailey was a cute name. And Brooke just sounded good with it. It just fit!

What's your favorite position?
Spooning.

You recently worked with a couple of porn legends. Steve Holmes and Manuel Ferrara. How were they to work with?
They were both really good. Manuel was very good at making me feel comfortable, that's

for sure. It was the first time I shot with him. He's really good at talking. That's a problem for a lot of male talent, they don't really communicate so, once you start the scene, there's that tension about not knowing what the other person likes because they don't ask. He's very good at communicating and making me feel comfortable, so that was good. They were both really good to work with.

You just alluded to it, what don't you like? Do you have limits?
I never really had to say before because I never had an issue, but recently, all the new guys joining the industry, I had to make it clear that I'm not into the really degrading stuff. For example, I don't like to be slapped in the face, I don't like being spit on, I don't like it when a guy puts his foot around and steps on the girls head while they're fucking her. Stuff like that is in right now but I don't get into it at all!

Working with Manuel and Steve, you like working with older guys?
Yes. I've always been into older guys just in general.

What's the oldest guy you've been with off-camera?
I'm not sure. Probably late 40s.

Was that a boyfriend or just some guy you picked up?
It was just a guy I hooked up with after I joined the industry. I think the oldest guy I ever dated was 36.

You were in the recent Digital Playground Parody of Pretty Little Liars, Lay Her Down. Are you a fan of the show? Did you like shooting an adult version of it?
Yes, actually, both me and my mom binge watched it on Netflix years ago. As soon as I got the role, I called my mom and told her. I wanted to send her a copy of the DVD but she said, 'Don't do that!' (laughs)

Which do you prefer? Acting or gonzo?
I prefer acting. I think it's more fun. I've always wanted to do acting. I enjoy it and I think I'm pretty good at it. Of course, it's fun because the more roles I get, the more experience I get. Of course, gonzo is easy and fun but I prefer acting roles.

We just talked about what you don't like sexually but what do you like sexually? What gets Bailey wet?
I'm really into passionate scenes. I like a lot of eye contact, a lot of making out, a lot of face-to-face fucking like touching foreheads, staring into each other's eyes and then letting it get rough from there. A little choking and hair pulling and lip biting and stuff like that.

Are you submissive or dominant?
I can be both. With guys, I'm usually more submissive and with girls, I'm usually more dominant.

Besides webcamming, how often do you masturbate?
At least once a day if I don't work and, sometimes, two or three times. (laughs)

Favourite method?
Hitachi.

You webcam, what is the strangest thing you've put in your pussy?
There was one guy who used to ask me to masturbate with the handle of my frying pan. T

I bet your mom didn't cook with it after that!
(laughs) No, it was my own. I never lived with my parents when webcammed.

Did you watch porn before you got into the industry?
Yes I did. My parents have a cabinet of DVDs because I grew up in such a small town, they don't have internet or any service out there so they bought the big budget parody movies. The first time I ever watched porn was when I stumbled across their hidden stash. My first impression of porn was the parodies, the acting like Pirates and the 1970s Alice In Wonderland softcore version. They only showed tits and it was a musical. That was one of the first pornos I ever watched.

When a guy pops, where do you prefer it?
Creampie.

Do you swallow?
Yes, I swallow.

Are you a size queen? Do you like huge cocks?
I actually prefer small. I'm not a fan of huge, huge…My body can't handle it. I feel like I prefer smaller dicks because I can have sex longer and it feels good. I'm not super deep so if it's too long, it'll start to hurt and it's harder for me to cum because I'm getting pounded. I can get into it, for sure, I love it but I prefer average.

Are you going to do anal on camera?
I was scheduled to do it this month. It keeps getting rescheduled but I will do it for sure within the next month.

Do you do anal in your personal life?
No, I've never done it before.

So your first time ever will be on-camera?
Yes.

You have a contest going where a fan can appear in a porn scene with you. Tell me about that!
It's something I started doing when I was webcamming but it was never for film, it was just a meet-and-greet, kind of a free vacation. Dinner but no sex was ever involved. It was a good way to make money and I could take the profits back into doing something for my fans. And, of course, it was good publicity, kept me interacting with my fans and it was a lot of fun. I thought I'd do it again but this time, pay for them to fly out and get tested and appear in a film for my production company. Essentially, I would be hiring them for a scene, plus they would get a free vacation to Las Vegas as well, to meet me and spend time with me. All the details are on baileybrookeproductions.com and you can see even more Bailey Brooke on my Twitter @BBrooke4real.

DANI

Photos: **Holly Randall**

This American sweetheart is candy crackers, but that's not the only thing the dishy Dani Daniels likes to suck on, be it prick or clit, this lady takes a fancy to both whenever the mood takes her.

"It really depends on how I'm feeling whether I fancy a guy or a girl, but seeing as it's Christmas maybe I'll have both as a little present to myself."

Looks like someone's going to be having double fun under the Christmas tree this year for Dani.

DOROTHY

Photos: **DDF**

If names are anything to go by then Dorothy Black is nothing like hers, in fact, we haven't met anyone with a more cheery disposition that we can think of, which is of great comfort to us as another full laugh makes Dorothy's baps bounce. As you can imagine we were cracking jokes left, right and centre to repeat this pleasurable phenomenon, thankfully Miss Black was clued up on our humour. It was an afternoon of jiggle and giggles.

GOT A FILTHY ADVENTURE YOU'D LIKE TO RELATE?
If so, why not drop us a line at
Men Only, Paul Raymond Publications, 23 Lyon Road, Hersham, Surrey KT12 3PU (or email menonly@paulraymond.com)

DEAR MEN ONLY,
Revenge, as they say, is a dish best served cold. Done calculatingly, a while after the offending event, it's the ultimate kick in the bollocks. Especially if it also involves a shag with a lady the other party happens to be rather proud of. I should know, since I've just executed the ultimate carnal pay back. Let me explain...

I'm one of those girls I guess you'd call a push over. Or rather I was, until recently. You know the type, waits for a man's command like a good little pet, even if it means getting out of bed to cook him a fry-up when he's rolled in pissed in the early hours. Because that was what Harry was like – a self-centred pig – and he thought I was put on the earth to satisfy his every whim.

Naturally, my friends would ask why I stayed, and I'd always say the obvious 'love'. Yet aside from that, the other truth was a bit too personal to tell them. You see, I'm an out and out sex addict. A raging harlot that used to do anything for a few inches, whether I was drunk or stone cold sober. In fact, when I was younger and didn't have any experience of proper relationships, I'd bed hop like a bunny, not realising that for me fucking would be better once I finally got serious with someone. I'd simply get high on the thrill of a new face, and a new cock. Until eventually I became tired of one-sided experiences where the fella got off and I didn't – simply because he didn't know me well enough to work out what turned me on. It got irritating having to finish myself off with my fingers every time. I mean that's what dicks are for, aren't they?

So when Harry appeared, like a porno white knight with a very impressive lance, I was not only gagging for it constantly, but also swept up in a L-O-V-E madness that made me fall over myself to please him. The first time we screwed – all octopus limbs in the back of his precious motor – it was awesome. Never mind the cramped conditions, I enjoyed a juicy workout that made me purr with satisfaction, while he got to shoot in all three eager caverns.

Yet even that cunt-clenching experience was nothing compared to when we'd been seeing each other for a while. The more we learnt about each other, the more fireworks there were in bed. All sense of awkwardness had gone. We'd lie there and share our darkest fantasies – me with a dildo buried in my snatch, him wanking furiously – which we'd then incorporate into our nightly fuck marathons.

> "...meaning that prick would then just slide right up without any lube."

Knowing that I'd be returning home to play doctor and nurse or even lady and ruffian would keep my knickers moist all day at work, meaning that huge prick would then just slide right up without any lube or foreplay. I'd simply spear myself straight on it, and slam up and down until we were both dripping with sweat, spunk and girl gunk. And Harry liked to increase my excitement by sending me saucy emails and texts about how he was going to "open me up like a birthday present", "fill my holes to bursting point" and make me "beg to cum".

My favourite fantasy involved him pretending to be a cat burglar, who'd broken into the flat to steal sex toys. When I 'disturbed' his rummaging, he'd tie me to the bed with a pair of stockings, and then after stuffing my arse and gash with dildos, he'd get me to deep throat him – all the time wearing a balaclava for extra authenticity.

It was all harmless friskiness that unlike my casual encounters made me orgasm every single time. And I adored him for it. Trouble is, all my doe eyes and ever-ready orifices made him complacent. Or, if I'm brutally honest, it actually made him bored. He started window-shopping, even having the cheek to rave on about the "lush racks" or "dreamy arses" the bimbos he was eyeing had. It pissed me off big time, 'cos for all my faults, I'm not a bad catch. You'd probably even go for me yourself.

Just picture me: nice firm knockers with fat nipples, perfect for rolling round your tongue, long smooth legs, a tight bum that you could just keep riding and a pussy like velvet. Plus, I don't give lip and I don't moan about male idiosyncrasies. Why would any guy play away when he had that at home?

When he finally was unfaithful – nailing, of all people, the saleswoman who sold him his new baby (a polished, red soft-top BMW) and then callously leaving her g-string under the front seat – I was devastated. But I was also really calm and the thought of blowing up at him didn't enter my head. Instead, I had one, very clear intention: revenge. And not the 'smash his football trophies' kind of reprisal, either. Oh no, I wanted to tap into his Neanderthal insecurities and make him feel inadequate. Which meant I had to act like nothing was bothering me and then go out and pull the same showroom slut as he had.

Now I haven't had any real experience with women. I've fantasised a lot about it though, imagining myself stroking someone else's pussy or running my tongue through their pubes. The closest I came to lesbo lust was at college when my best friend and I got so wasted at a party that somehow her tongue ended up down my throat. It had made me extremely wet, but while I was curious to see if she'd responded the same, I couldn't make my hand move any further than the tops of her soft thighs. However, I knew BMW girl had to be different – not just to freak out Harry, but because I was determined to get my first taste of pussy!

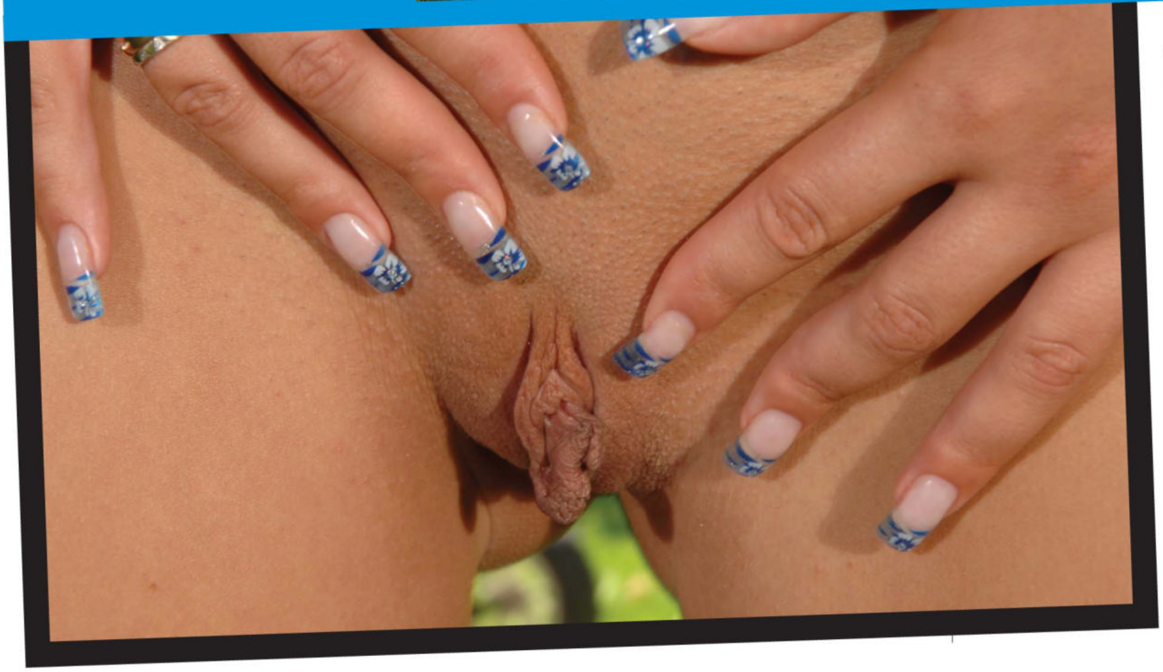
Surprisingly, from the minute I arrived at the showroom, Rachel, as she was called, was all over me. I don't mean in a hungry for a sale way either. As soon as our eyes met, there was something between us. It was like she was touching me with her mind, sending shivers of electricity up my spine and making me want to frig myself there and then. The sexual tension was so extreme, I felt breathless even before we'd gotten into the gleaming convertible for a test drive.

As we hit the road she said she'd recently sold the same exact colour and make to a real jerk-off. "He was a tough sell," she explained, licking her lips suggestively, "one of those cavemen who thinks women are solely for pleasure. I shouldn't really tell you this, but I had to screw him to clinch the deal!"

She touched my knee: "I'd never have done it if I hadn't needed the money desperately, though. He had a massive cock, but I gave up men a long time ago."

I could scarcely believe what was happening, particularly when we reached open countryside and she asked if I minded pulling over for a bit. "I really hope I haven't shocked you with my frankness," she smiled, "I'm really not a floozy. There's just something about

"I lapped and sucked repeatedly, while using one hand to pinch her clit…"



> “It swallowed my fingers just as easily as mine had hers and I began to…”

you that makes me want to be honest, and er… makes me want to get dirty with you.”

“That’s good, Rachel, because I don’t want to buy your car,” I replied, “I want to lick your cunt. But not in here – I have an ex who liked screwing on the back seat – sit your sweet arse on the hood so I can really get my tongue in high.”

Oh my, when she opened those labia wide and I went in for the thrill, she tasted like vanilla sugar! It was like licking the icing off a fleshy fairy cake and I couldn’t get enough of it. I lapped and sucked repeatedly, while using one hand to pinch her clit and the other to squeeze at her lush tits. By that point, I wasn’t even thinking of Harry, I was just lost in this dreamy new sensation.

Of course, being a fellow woman, Rachel knew instinctively what would get me matching her orgasmic cries. Pulling my tingling body up beside her, she leant in for a spectacular French kiss, running her tongue over my teeth and gently nibbling at my lips. As the snog deepened, she pushed my legs apart and slipped three manicured digits into my slick snatch. Fingering my innards like she was making bread, she pushed up against my G-spot and gradually began to increase the speed and pressure of her movements.

With our mouths still clamped together, I groped forwards and found her tight twat, too. It swallowed my fingers just as easily as mine had hers, and I began to match her actions with vaginal swirls of my own. I gasped, she gasped, but not being greedy, she whispered that she wanted me to cum before she climaxed again.

Slurping clean my fingers, Rachel rested my head against her chest so I could suckle at her breasts while she continued to massage my hole. There aren’t words to describe how gorgeously filthy it felt: I simply wanted to melt. “Come on, baby, that’s right,” she cooed, as my thighs started to shake. “It feels so good doesn’t it? Just let yourself go and enjoy it.”

Okay, it sounds corny but I came so hard I didn’t so much see individual stars as entire constellations. It was unbelievable, far more intense than that first shag with Harry. Ah, Harry, I very nearly forgot him, which is understandable given that I was back between Rachel’s legs before my fanny contractions had even subsided.

I waited ’til she’d climaxed again – this time from a combination of arse rimming and clit rubbing – then I asked if she’d mind me taking a picture of the car on my mobile. “I’ll never be able to afford a BMW in this lifetime,” I laughed, “so I’d like the memory.”

Her response was perfect: “Only if I’m in it, so you can have something to masturbate to. Or even better, can’t you do a video clip?”

Which is what I did – first filming my grinning face, then one-handedly capturing Rachel splaying her cunt while I dipped my fingers wearing their recognisable rings inside. Only I didn’t merely store the footage on my phone, I also sent it to Harry, with the message “share and share alike” attached.

Obviously we broke up, with him bleating how he couldn’t believe two lousy dykes had shafted him. As for Rachel, she and her divine pussy are available whenever I get the urge, though I’m still too much of a nympho to give up cock entirely.

Amy, Huddersfield.

Louise
Fraser-Phillips

PHOTOGRAPHS BY DONALD MILNE

Perhaps it's a sign of the times, but I find all the other mags are getting perfectly ordinary girls out of Marks & Sparks and pretending they are debutantes. Meanwhile, MO attracts all these terribly posh ladies and pretend they're truck drivers. But when it comes to turning a guy on, your lady and your Julie O'Grady are sisters under the skin. And you have to admit Louise knows what it's all for – even though she won't tell us her statistics... Let's guess 22-39-23. That should change her mind!

REVIEWS

Are you up for a reality trip? Then get your thinking cap around Westworld and the prickly punch of Sharp Objects, while Tom Crusie carries on looking young.

8/10

It was never going to be straightforward after the question of conciseness season one proposed, leading us on a wonderfully subtle journey of free will arguments that philosophers and theologians have been bickering about since toga's where fashionable. Topping it all off with the hosts awakening and a killing spree in the season finale, now we all know what Ford was up to. But where to now on the Westworld ride? Season one felt every inch tied up, and a second season unnecessary, or was I just worried the second season couldn't possibly live up to the first? It was a pinch of salt in both pans, after finishing season two I came away with a distinct void feeling, I was less surprised by the conclusions in season two and the portrayal of Dolores as the villain. There's more action, blood and bending of timelines, which at times (along with Bernard's hazy memories) seems an unnecessary smokescreen to hide the end result. As with the first season, the cast were all exceptional, not a middle of the road performance between them, with Ed Harris as William, standing out this time around. The sets and soundtrack where both rich and although I preferred the first season, this is still the best series I've watched this year, it had me coming back for more each week, but it's also a series I would like to re-watch for the small details.

TOM CRUISE
MISSION: IMPOSSIBLE
FALLOUT

Mission Impossible: Fallout

DVD £9.99, Blu-Ray £14.99

It's another Mission Impossible, yet they always end up possible, with Ethan Hunt (Tom Cruise) jumping out of buildings, dodging bullets, basically stretching himself beyond human limits, just like Crusie who does all his own stunts. This time around nothing is missing, Fallout is almost a perfect action film, fast-paced, brutal and with baddie Solomon Lane (Sean Harris) on the loose, a nuclear apocalypse is on the cards. Ethan has a little more shadow than he's used to this time around, in the form of CIA agent August Walker (Henry Cavill) who means business. An excellent stocking filler this Christmas for anyone who enjoys multiple explosions in a movie.

Sharp Objects

DVD £24.99, Blu-Ray £29.99

There are some big names on this production sheet, director Jean-Marc Vallée (Big Little Lies), writer Marti Noxon (Buffy the Vampire Slayer), and Amy Adam's as Camille Preaker a journalist who's alcohol consumption would ensure longevity through pickling; but it's this combination that has produced an epic result. Preaker is dispatched to by her editor to cover the story of two girls, one missing, the other murdered, in Preaker's hometown of Wind Gap, Missouri. But don't be fooled into thinking this is another murder mystery, the murders are second fiddle to the riddle Preaker, as a first class lesson in the effects of denial and repression takes place,

All we can say this month is that Jessica Drake is very wicked indeed and that Riley Reid could be falling for a baited hook! But with this much action do you really care?

jessica drake is wicked

Synopsis: Wicked Pictures Exclusive Contract Superstar Jessica Drake and award-winning director Brad Armstrong bring you the most epic Star Showcase Movie in adult entertainment. Watch Jessica explore her sexuality as you've never seen before. From a passionate encounter in the Garden of Eden to a 6 Girl Anal Circus Orgy with today's biggest name starlets. From a jaw-dropping Interracial Blowbang to a School Girl Orgy full of Anal and DPs, and then the grand finale, an absolutely stunning encounter with three of the industry's most beautiful Trans Women. Jessica adds: "I've waited my entire career for this movie. Each scene reflects not only who I am as a performer, but who I am as a person. I couldn't be prouder of this project, and I want to thank every person listed in the credits for bringing my fantasies to life." *Courtesy of Wicked*

Editor's CHOICE

Verdict: Any Jessica Drake fans out there? I'm sure there's a few hundred thousand at least, which comes as no surprise given the way this woman can work a camera and Wicked studios have recognised this, giving the hottie her own compilation, complete with a bonus disc featuring her boxer swelling scene with Asa Akira in DNA. There are some of the best scenes of Jessica's career so far here, scene five might not be everyone's cup of tea as Miss Drake is joined by three trans stars, but even if that's not your bag, there is something for everyone on this DVD.

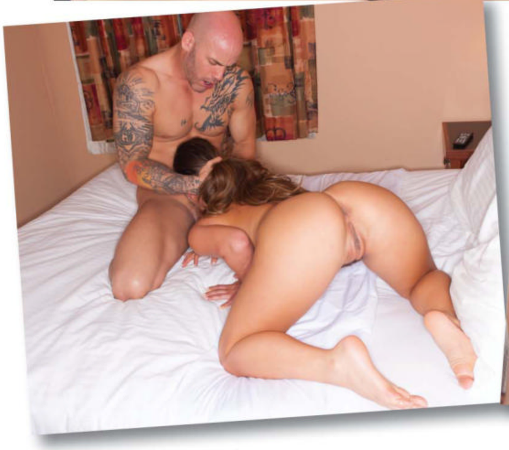
CATFISHED

Cast: Eva Lovia, Holly Heart, Riley Ried, Zoey Monroe, Daniel Hunter, Derrick Pierce, Jessy Jones, Mr. Pete, Steven St. Croix.

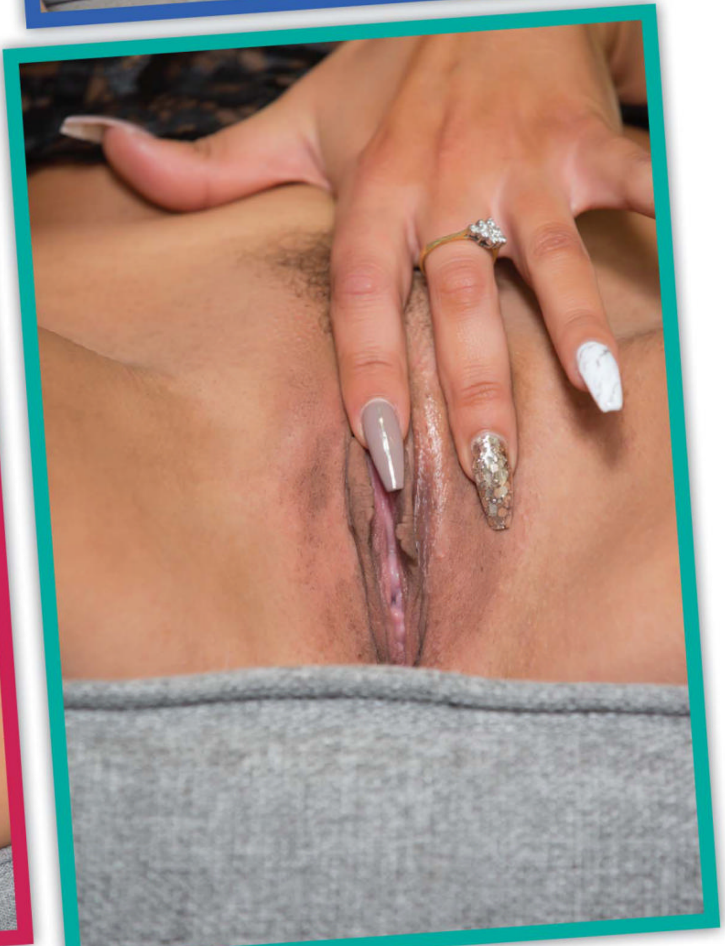
Synopsis: "A sexy divorcee yearns for love, but is looking in all the wrong places. Her ex has already moved in between the legs of a much younger busty blonde, and her best friend is happily consummating her marriage. Nevertheless, she has one guy, but he's mostly interested in screwing her than committing. In a desperate attempt, she makes an online profile and meets an incredible guy. They've tried to meet several times, but sadly never do. She's sexually frustrated, but can't get away from sex because her horny neighbours can't stop fornicating! In the end, she demands they meet, but will she find the man of her dreams, or discover a lie?" *Courtesy of Digital Playground*

Verdict: Now that there are various Television shows dedicated to hunting out catfishing, most of us will know what the term means, but for those who don't it's the name given when someone falsely represents themselves online to lead someone on, most likely with a hidden agenda. So with that in mind, this is what Jesse falls pray too after the divorcee goes searching for love. Catfish has five scenes which all have a little something about them, the pairing between Holly Heart and Mr. Pete was the best to my mind, as there's less play, they basically get straight down to business with Holly gulping down Mr. Pete's cock, before the stud bends Holly over the counter for a pounding. This movie essentially has a fluffy storyline, but it's bare-cheeked rocking in every other way.



AVA

Photos: **BB Media**



Deck the halls with... dildos? It certainly looks like Ava Knoxxx is having a merry old time with hers, as she sails it home into her slick hole.

"What I need is a real piece of meat to run my tongue over, and I'm sure one of you horny boys out there could do with Ava's lips locked around your cock!"

I'm sure they could, as could we, so why not join Ava for one of her Live Bunnies sessions and treat yourself this Xmas!
